Some trust in power  
Some trust in feelings  
Some trust in fashion

Some trust in banks  
What they can touch  
Some trust in looks

Some trust in armies  
Some trust in computers  
Some trust in teachers

mis - siles and tanks  
soft - where and such  
clas - ses and books

Some trust in people while God is ignored  
Some trust at - ten - tion in be - ing a - dored  
Some trust in free - dom in cut - ting the cord

But  
But  
But

we trust in the name of the Lord  
we trust in the name of the Lord  
we trust in the name of the Lord

We trust in the Lord

We trust in the Lord

We trust in the name

of the Lord
